

2019-2020 Volunteer Opportunities

Below is a list of several volunteer opportunities available at Bell's Crossing this year. Please check any areas of interest, and return this form to your child's teacher. (Indicating an interest is not an obligation to help. If your availability or preferences change, just let us know when you are contacted.) This is not an exhaustive list – when additional volunteer opportunities arise throughout the year, they will be communicated via room parent emails, school/teacher newsletters, and the PTA/school Website, Facebook page, etc. If you have any questions or would like more information about volunteering at Bell's Crossing, please contact Jennifer Gsell PTA VP of Volunteers, at bcesptavolunteers@gmail.com. Thank you for your interest. We look forward to volunteering with you!
