

PTA Executive Board Meeting
October 11, 2022

Present:

Principal's Report: Chris Ross

- School Report Cards should be released in the next few weeks.
- Bell's Crossing was in the top 10% in our district for our students with special needs scoring on the state test last Spring. This is even more impressive as we have a higher percentage of students with needs than the district average.
- Bell's Crossing is working hard to return to our student activities. This year we added a Junior Beta Club, Media Productions, and Drama Club. We already have safety patrols, Battle of the Books, Chorus, Chimes, and News Team
- Each month we will be having a school spirit day. Again, this is to help get fully back to our students interacting with each other. October's Spirit Day will be the National Rock Your School Day on October 21. In November we will have a Turkey Trot.
- We will have our first parent workshop on Monday, October 21 at 11 am. This will be about Middle School Options. It will be virtual, so see our website for the link.
- We have also lined up an Internet Safety parent Workshop for January 10 at noon. This one will be in person. Lunch will be provided.

President's Report: Jessica Blanton

- Bylaws - have been approved & posted. Need to be voted on. October 17th via Zoom?
